

Do you have traffic concerns in your neighbourhood?

Missing sidewalks? Troublesome intersections? Pedestrian safety?

This is your chance to be heard. The City is undertaking a Neighbourhood Traffic Review for the Airport Business Area and inviting your input. The neighbourhood includes the area south of 47th Street, west of Idylwyld Drive, north of the CN Rail tracks, and east of Hampton Village.

As a result of this review, **we will be making changes** to the way all types of traffic move around your neighbourhood. Don't leave yourself out of the conversation!
