Exhibition Local Area Plan Upcoming LAP Meetings

The City of Saskatoon's Local Area Planning team is excited to announce the next Local Area Plan (LAP) meetings for the Exhibition area.

Thursday, September 26, 2019 – 7:00pm: Municipal Infrastructure & Services

The City is responsible for providing many services that affect our day-to-day lives. We will be discussing municipal services and want to hear from you about your specific issues regarding concerns with sidewalk maintenance, back lanes, road maintenance, street sweeping, garbage pick-up, recycling, and anything else related to infrastructure or municipal services that the City should be aware of.

Tuesday, October 8, 2019 – 7:00pm: Impacts of Major Local Events

Major local events have significant positive and negative impacts on the Exhibition area. Representatives from the City and Prairieland Park will be at the meeting to listen to comments and answer questions regarding management of events, noise, safety, traffic, parking, and other impacts of local events.

Both LAP meetings will take place at:
Seventh Day Adventist Christian School
2228 Herman Avenue
